

# 2023 Clean Drains Fort Wayne

*ONLY RAIN IN THE DRAIN!*

## ABOUT THE TEMPLATE

Please note, drains will be assigned after design approval. Your assigned drain may be circular or rectangular and the site's infrastructure may require you to adjust your design slightly. Your drain text must be included in the template. Concrete curbs may be painted. Metal of drains may not be painted. These templates are meant to give the FOR committee an idea of what the artist intends to paint and give applicants an idea of the paintable area. You must complete a template to submit for your application.

Questions may be directed to Pam Holocher at: [pholocher@comcast.net](mailto:pholocher@comcast.net) or 260-437-1900, or Alex Hall at [alex@downtownfortwayne.com](mailto:alex@downtownfortwayne.com)

TEMPLATE (~4' x 4' area on the curb and sidewalk leading to the drain)
